LEGISLATORS ADD #1 PLASTIC TO STEUBEN CO. RECYCLING

WHEN: Starting March 1, 2008

WHERE: Steuben Co. DPW Transfer Stations at Erwin, Hornell, Wayland and Bath landfill.
Your garbage hauler should also pick up #1 and #2 plastics.
Call us if your garbage hauler does not recycle.

WHY: Save landfill space, natural resources and energy. Reduce global warming.
Reduce roadside litter.

HOW: Include the #1 and #2 plastics in the same container.
Look for the triangle with the #1; mostly water bottles and sport drinks.
Combining #1 with #2 will increase the amount of recycling.

Please call us with questions and suggestions. Thank you.

Vince Spagnoletti, Commissioner of Public Works
Bonnie Kastner, Recycling Manager
