Steuben County Vulnerable Youth Summit
Tuesday, October 30, 2018
Bath Presbyterian Church
6 E. Morris Street, Pulteney Park, Bath, NY

The Steuben County Department of Social Services and Youth Bureau invite you to an important summit to support our most vulnerable children & youth:

✶ Commerically & Sexually Exploited Youth ✶
✶ Runaway & Homeless Youth ✶

Human trafficking is the practice of exploiting a person for the purposes of sexual or labor servitude using force, fraud, or coercion.

The Vulnerable Youth Summit will include information and discussion on the efforts to assist youth who are identified or are at risk of becoming victims of labor and/or sex trafficking, including runaway and homeless youth.

Multiple county departments and private agencies are collaborating to develop a plan and strategies for our county and communities. This summit is open to all, and we encourage participation. We value the input of others and will include time for networking and discussion.

The Vulnerable Youth Summit is appropriate for professionals and key stakeholders representing:

♦ Youth Service Agencies
♦ Schools & Afterschool Programs
♦ Mental Health & Substance Service Providers
♦ Law Enforcement & Juvenile Justice
♦ Hospitals & Health Care Providers
♦ Faith-Based Communities
