SALARY: Varies according to location of appointment. As an example, the current starting salary for this title in Steuben County Departments is $39,704 - $47,644 annually.

VACANCIES: One at the present time. The Eligible List resulting from this examination will be used to fill any appropriate vacancies that may occur in this title, as well as Senior Account Clerk during the life of the list.

NOTE: An open-competitive examination for this title will be held at the same time as this promotion examination. The eligible list resulting from the promotion examination will be utilized first for filling available vacancies. Successful promotion examination candidates are eligible for promotion only within the jurisdiction, school district, or special district in which they are employed at time of qualification for examination. Successful open-competitive examination candidates are eligible for appointment to this title in any municipality, school district, or special district after any applicable promotion list has been exhausted. To be included on both the open-competitive and promotion lists, you must apply and qualify for both examinations separately. Although both examinations will have the same title and examination content, each will have a different and unique examination number, may have different Minimum Qualifications, and will result in a separate eligible list.

MINIMUM QUALIFICATIONS: Possession of the minimum qualifications must be clearly demonstrated on your application. As of the date of the examination, candidates must have served and be currently serving on a permanent or contingent-permanent Competitive Class or 55-a Non-competitive Class basis for at least six months as a Senior Account Clerk or for at least two years as an Account Clerk, Account Clerk-Typist, Account Clerk-Stenographer, Support Cashier, or Support Cashier-Typist in one of the county departments, Corning Community College, or cities, towns, villages, school districts, or special districts under the jurisdiction of the Steuben County Department of Personnel and Civil Service immediately prior to the date of examination. If you wish to compete for appointments in other jurisdictions, you must also apply to take the Open-Competitive Examination.

DISTINGUISHING FEATURES OF THE CLASS: The work involves responsibility for the full-time or substantial part-time operation of keyboarding equipment in the performance of difficult and responsible clerical work involving the maintenance and checking of financial accounts and records. The work is carried out in accordance with the well-established procedures utilized in the location where employed, as well as standard accepted account clerical procedures and methods. Work is performed under the general supervision of either a higher ranking clerical supervisor or an office administrator with wide leeway allowed the incumbent for the exercise of independent technical judgment in completing individual assignments. Direct supervision is exercised in most cases over the work of one or more clerical assistants. Does related work as required.

4. Supervision
   These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives.
