Mr. Lewis stated he feels again a package deal is asked for. Referring to part-time positions with one example: part-time dog warden and part-time Chairman, and stating, "I wouldn't think the part-time dog warden would get as much as our Chairman. I agree there are department heads that should have raises but study the salaries of the part-time positions".

Mr. Ball moved to separate the supervisors' salaries and vote on them separately. There being no second to Mr. Ball's motion, the motion was declared LOST.

Mr. Ketch, Agriculture Committee Chairman, stated that although the dog warden salary seems high, he is on call seven days a week. His property is used for the cages and he has to take care of the dogs and feed them. He has to have a special van truck to pick up the dogs and it is hard to find someone to take the job.
