III. CODE OF ETHICS

A. Prohibited Activities

It is the policy of the County Legislature that all officers and employees must avoid conflicts or potential conflicts of interest. A conflict or a potential conflict exists whenever an officer or employee has an interest, direct or indirect, which conflicts with their duty to the County or which could adversely affect an individual's judgment in the discharge of his or her responsibilities. No officer or employee shall:

1. Take action or participate in any manner whatsoever in his or her official capacity in the discussion, negotiation or the awarding of any contract or in any business or professional dealings with the County of Steuben or any agency thereof in which the official or employee has or will have
an interest, direct or indirect, in such contract or professional dealings.

2. Engage in, solicit, negotiate for or promise to accept private employment or render services for his or her personal benefit when such employment or service creates a conflict or impairs the proper discharge of his or her official duties.

3. Solicit, directly or indirectly, any gifts, or receive or accept any gift having the value of Seventy-Five ($75.00) Dollars, or more, whether in the form of money, services, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could be reasonably inferred that the gift was intended to influence him or her, or could reasonably be expected to influence him or her, in the performance of his or her official duties or was intended as a reward for any official action on his or her part.

4. Disclose confidential financial information acquired in the course of his or her official duties or use such information to further his or her personal interest.

5. Take action on a matter before the County or any instrumentality thereof when, to his or her knowledge, the performance of this action would provide a pecuniary or material benefit to himself or herself.

IV. DISCLOSURE OF INTEREST

1. Any officer who has, will have or intends to acquire a direct or indirect interest in any matter being considered by the Legislature of the County of Steuben or by any other
official, Board, Agency, officer or employee of the County of Steuben, and who participates in the discussion before or who gives an opinion or gives advice to any Board, Agency or individual considering the same, shall publicly disclose on the official record the nature and the extent of such interest.

2. Any officer or employee of the County of Steuben who has knowledge of any matter being considered by any Board, Agency, officer or employee of the County of Steuben in which matter he or she has or will have or intends to acquire any direct or indirect interest, shall be required immediately to disclose, in writing, his or her interest to such Board, Agency, officer or employee, and the nature and the extent thereof, to the degree that such disclosure gives substantial notice of any potential conflict of interest.

3. On or before January 31 of each year for which the employment is in effect, the "Chief Elected Official" shall promulgate two lists, to be known as "Level A" and "Level B", of all positions required to provide financial disclosure. Said lists are discretionary in nature, subject to the law as determined by this local law and to be construed within Article 18 of the New York State General Municipal Law.

4. "Level A" financial disclosure shall be accomplished by the completion of a form substantially similar to that of the "Level A" form attached to this law, which is incorporated in substance by reference herein. "Level A" financial disclosure shall be required through the discretionary designation of the "Chief Elected Official", as stated in (IV)
(3) above, and is applicable to those designated in Article II, sections g, h and i, above. This statement shall be completed and returned to the Ethics Board on or before May 15 of the year for which the employment is in effect.

5. "Level B" financial disclosure shall be accomplished by the completion of a form substantially similar to that of the "Level B" form attached to this law, which is incorporated in substance by reference herein. "Level B" financial disclosure shall be required through the discretionary designation of the "Chief Elected Official", as stated in (IV) (3) above, and is applicable to those who may not fall within the specific purview of (IV)(4), above, but are, with proper discretion, deemed to be "policy making" within the construction of Article 18 of the New York State General Municipal Law. This statement shall be completed and returned to the Ethics Board on or before May 15 of the year for which the employment is in effect.

6. A person who is subject to the filing requirements of this local law from more than one county may satisfy the requirements by filing only one annual statement of financial disclosure, and filing with the other(s) a notice that such filing has been made, inclusive of the date and place of the filing.

7. Any person who is subject to the reporting requirements of this local law and who has or shall timely file with the Internal Revenue Service an application for automatic extension of time in which to file his/her individual income tax return for the immediately preceding calendar or fiscal year shall be required to submit an annual statement of
financial disclosure on or before March 31, of the year in which the employment is in effect. Such person shall file a supplementary statement for any item as so noted on the annual statement of financial disclosure, without liability under Article VIII of this local law, if said supplementary statement is filed within fifteen (15) days of the expiration of the automatic extension.

8. Any person who is required to file an annual statement of financial disclosure may request, prior to May 1, of the year for which the employment is in effect, an extension of filing for an additional specific period of time. Such request shall be made in writing to the Board of Ethics, with approval based upon substantiation of justifiable cause or undue hardship. The Board of Ethics may grant or deny the request, by vote of the membership, and extensions shall be for the specific period of additional time requested.

9. Any person required to file an annual statement of financial disclosure who becomes so required, or experiences a change in reporting levels after March 15, of the year for which the employment is in effect, shall file the appropriate annual statement within thirty (30) days.

10. If a person required to file a financial disclosure statement with the Board of Ethics has failed to file a financial disclosure statement or has filed a deficient statement, the Board of Ethics shall notify the reporting person in writing, state the failure to file or detail the deficiency, provide the person with a fifteen (15) day period to cure the deficiency, and advise the person of the penalties for failure to comply with the reporting requirements.
Such notice shall be confidential. If the person fails to make such filing or fails to cure the deficiency within the specified time period, the Board of Ethics shall send a notice of delinquency: (a) to the reporting person and (b) to the Chair of the Legislature.

Upon an adverse determination by the Board of Ethics, the reporting individual may request, and upon such request the Board of Ethics shall provide, that any information which is the subject or part of the application remain confidential for a period of thirty days following notice of such determination.
