Local Law No. FOURTEEN of the year 1994

A local law amending Local Law No. One for the Year 1989, as amended, authorizing and directing the Commissioner of Public Works to promulgate rules and regulations for the maintenance and operation of Steuben County's Solid Waste Management.

Be it enacted by the LEGISLATURE of the
(Name of Legislative Body)

SECTION 1. LEGISLATIVE INTENT. It is the intent of the within statute to amend Local Law No. One for the Year 1989 of the County of Steuben, as amended, authorizing and directing the Commissioner of Public Works to promulgate rules and regulations consistent with Environmental Conservation Law Section 27-0711, this local law and such other local laws, rules and regulations consistent with Environmental Conservation Law and resolutions as may hereinafter be enacted for the County's Solid Waste Management and Resource Recovery. The Commissioner, with the advice and consent of the Committee shall have the authority and power to accept such solid waste from areas outside of Steuben County which is the difference between the volume generated and disposed of in the Steuben County Landfill and the annual permitted capacity, if any.

SECTION 2. DEFINITION. SECTION 2. of Local Law No. One for the Year 1989 is amended to read as follows:

2-10. "Approved Design Capacity" means the average daily tonnage to be received at the solid waste management facility during the quarter in which the most waste is anticipated to be received, as approved by the department. For solid waste facilities, approved design capacity means the annual rated throughput capacity of the unit or units for treatment of solid waste as approved by the department.

SECTION 3. GENERAL FUNCTIONS, POWERS AND DUTIES OF THE DEPARTMENT AND THE COMMISSIONER. SECTION 3. of Local Law No. One for the Year 1989 is amended to read as follows:

It shall be the responsibility of the department, in accordance with such existing provisions and limitations as may be by the law and elsewhere set forth in law, by and through the Commissioner to carry out the solid waste management and resource recovery policy of the County of Steuben. In so doing, the Commissioner, with the advice and consent of the Committee, shall have power to:
c. Prescribe and recommend methods for the recovery, recycling and reuse of solid waste; or, where recycling and reuse are not possible, the disposal of solid wastes, including domestic and industrial refuse, junk cars, litter and debris consistent with sound health, scenic, environmental quality, and land use practices, for solid waste offered for disposal at the County's solid waste management facilities, including but not limited to the types of solid waste acceptable for disposal at said facilities, as prescribed by the operating permit issued by the New York State Department of Environmental Conservation.

In no case shall the Commissioner allow into any solid waste facility, quantities of solid waste which exceed the approved design capacity. The Commissioner shall assume disposal capacity for all qualified solid waste generated within the boundaries of Steuben County.

The difference between volumes generated within Steuben County and disposed of in the County landfills and the annual permitted capacity, if any, may be used for the disposal of waste from areas outside of Steuben County upon application from haulers registered with the department and approved by the Commissioner. Such application shall include areas served, types of waste and daily volume.

Such haulers must provide information to the Department which proves they are registered to do business in the State of New York.

In no event shall solid waste from outside of Steuben County be permitted in excess of 12,500 tons for the year 1995. In addition, no waste from outside of Steuben County shall be accepted for disposal after midnight on December 31, 1995.

SECTION 4. PERMITTING OF HAULERS. Section 4. of Local Law No. One for the Year 1989 is amended to read as follows:
