Coalition Attends CADCA Mid-Year Forum

CADCA's National Leadership Forum is a four-day event packed with opportunities to learn the latest strategies to address substance abuse and hear from nationally-known prevention experts, federal administrators, and concerned policymakers. The Forum brings together approximately 3,000 attendees representing coalitions from all regions of the country and internationally, government leaders, youth, prevention specialists, addiction treatment professionals, addiction recovery advocates, researchers, educators, law enforcement professionals, and faith-based leaders. It is the largest training event for the prevention field.

The mission of CADCA (Community Anti-Drug Coalitions of America) is to strengthen the capacity of community coalitions to create and maintain safe, healthy and drug-free communities globally. This is accomplished by providing coalition development assistance and training, public policy advocacy, special events, media strategies and marketing programs.

Opportunity Available

The Steuben Prevention Coalition has an opening available for an individual looking to join our team.

Clerical Assistant DFC – Steuben Prevention Coalition

CLERICAL ASSISTANT

Training Opportunity

Responding to Opioid Overdose

In Cooperation With

Thursday, April 2, 2020
6:00-7:30 PM
Steuben County Annex Building
Conference Room B
 20 E. Morris St.
 Bath, NY 14810

Naloxone has been fundamental in the efforts to decrease rates of fatal overdoses. This training teaches first responders, likely opioid overdose witnesses and community members to understand, recognize, respond to and reverse suspected opioid overdoses using naloxone. Participants will learn ways to obtain free or low-cost naloxone for personal use. This training is modeled after the evidence-based SAMHSA Opioid Overdose Prevention Toolkit.

Training objectives include:

- to increase understanding and awareness of fatal overdoses related to opioids and the impact within the community
- to identify risk factors for an overdose
- to be able to recognize a suspected overdose
- to be able to identify the five essential steps for first responders as outlined in the SAMHSA Opioid Overdose Prevention Toolkit in the event of an overdose
- to be able to correctly use naloxone to save lives
- to understand how to access the Naloxone Co-payment Assistance Program (NCAP) to obtain free or low-cost naloxone.

For more information and to register today, please contact: Kim Cady, BSN, RN (607) 664-2438

Opioid Committee Receives Much Needed Support

The Coalition recently presented to the Health, Human Services & Education Committee of the Steuben County Legislature on January 8, 2020, requesting support of the newly formed Opioid Committee dedicated to addressing the opioid epidemic and vaping crisis.

The SPC's Drug Free Communities funding based on the survey data collected focuses on the prevention of underage drinking and marijuana use by our youth 12 - 18. With Steuben County and Catholic Charities funding we are expanding our efforts into the opioid epidemic for all ages.

May 13th – Jenna Houghtaling of Finger Lakes Problem Gambling Resource Center

Steuben Prevention Coalition – Opioid Committee Welcomes New Hire

Hello - My name is Connie Terry and I am the newly hired Program Assistant for the Opioid Committee at the Steuben Prevention Coalition. I want to take a little time to introduce myself.

I am a veteran of the NYS Public School System. I retired from Avoca Central School in June 2019 after 31 years in the classroom teaching grades 6-12. As a Family and Consumer Science and Health teacher, I spent a great deal of time educating students about the dangers of drug use and abuse. I also coached the Drug Quiz Team and was a SADD advisor at the beginning of my teaching career at Avoca. Drug education has been woven throughout my entire teaching career, so this position feels like a natural extension to that. I am really excited for the good work the Opioid Committee and I will be doing for Steuben County and I am quickly getting up to speed in my new career.

MISSION:

To promote healthy and safe communities in Steuben County by reducing alcohol and drug use among our youth!

VISION:

To have a county where our youth are healthy and drug free!

Steuben County Underage Party & Drug Information Tip Line

Anyone with information relating to underage drinking such as parties, underage sales, etc. or information relating to illegal drugs, such as sales, dealers or other suspicious activities are encouraged to use the tip line.

The Tip Line will be monitored seven days a week, 24 hours a day. All call are anonymous.

Do your part to help make our communities safe for everyone.
