Recent Coalition Activities

The Steuben Prevention Coalition had the opportunity to present to the Corning City Council on May 6, 2019 in support of a resolution in opposition to the legalization of Marijuana in NYS.

We were also invited by Steuben County Legislator Mike Hanna to come and speak to the Urbana Town Board on May 21, 2019 about the Coalition and what we do. This led to a discussion to follow Corning City Council and introduce a resolution in opposition to the legalization of Marijuana in NYS.

Susan Hooker hosted our Hornell Youth Café Conversation at Hornell Concern for Youth on May 31, 2019 serving approximately 40 youth.

The Haverling Girls Group with Evan Czajkowski, Student Leader presented to the Bath Town & Village on May 20, 2019 in an effort to have Drug Free Zone Signs installed in 4 identified parks/playgrounds in Bath. Out of this presentation additional locations were established.

Prom & Graduation Safety Awareness Events coordinated by the Steuben County Sheriff's Office and STOP DWI NY were held in Bath, Hornell and Wayland-Cohocton School Districts.

Mid – Year Coalition Recognition!

We would like to extend a very special thank you to our active Coalition members who have gone over and above meeting attendance! This participation is greatly needed in order for the Coalition to remain sustainable.

Be in your chair on Graduation Day

Graduation Safety Tips for Parents:

1. Require adult supervision at every celebration your child attends.
2. Know who will be driving your child to and from the party.
3. Remind your children that, under any circumstance, you will be there to pick them up or help them.
4. Ask questions and keep in contact with your child while they are out.
5. Set a curfew and give your child rules that they must follow.

Graduation Safety Tips for Graduates:

1. Never drink and drive or get in the car with anyone under the influence.
2. Remember you can always say “no” and do not have to do anything you do not want to do.
3. Be responsible.
4. Watch out for your friends and have them do the same for you.
5. Never be afraid to call your parents or a trusted adult.

Steuben Prevention Coalition forms Opioid Committee

What Are They?

Also called narcotics, opioids are a kind of pain medication your doctor may give you after an accident or surgery, or as treatment for a chronic disease like arthritis. Most are made from the opium plant, but some (called synthetic opioids) are made in a lab. Either way, they affect the reward center of your brain and boost your levels of certain brain chemicals that block pain, slow your breathing, and generally make you feel calm.

Types:

Opioids have different strengths, and some are legal and some aren't. Examples include:

- Codeine
- Meperidine (Demerol)
- Oxycodone (OxyContin)
- Oxycodone and acetaminophen (Percocet)
- Fentanyl
- Hydrocodone and acetaminophen (Lortab, Norco, Vicodin)
- Methadone
- Morphine
- Heroin

MISSION:

To promote healthy and safe communities in Steuben County by reducing alcohol and drug use among our youth!

VISION:

To have a county where our youth are healthy and drug free!
