OHIO'S AMISH COUNTRY

3 Days - 2 Nights

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

DAY 1 - A morning departure has you heading into the Amish Country of Ohio. Lodging has been arranged for the group at one of the quaint hotels in the area. Tonight, its off to the Amish Country Theater for a fantastic Musical Comedy Variety Show. Start off with an Amish buffet dinner in the Country Courtyard adjacent to the theater, then enjoy a hilarious evening of fun with a themed show featuring side-splitting comedy, rip-roarin' musical numbers and much more.

DAY 2 - After breakfast, visit Yoder's Amish Home & Farm where you will learn of life in an Amish community. You'll begin with a guided tour through the two houses and a barn full of farm animals where you'll learn about the history and customs of the Amish faith. Later, visit the one-room schoolhouse and meet the experienced Amish teacher who will explain how the Amish parochial school system is run. No visit would be complete without the opportunity to take a ride in an authentic Amish buggy, which takes you out around the hay field with a driver from the Amish Church. Later, continue to Lehman's Hardware & General Store where you can find anything and everything, except electricity. The three pre-Civil War era buildings even include the buggy barn demonstration room, antiques, old-fashioned treats & sodas and every type of non-electric tool and appliance imaginable. There will be time for lunch on your own in their café before heading to downtown Sugarcreek. Arrive at the Ohio Star Theater at Dutch Valley for a Live Musical Production featuring wholesome storylines, exceptional vocals and foot-stomping tunes - all based on the Amish and Mennonite lifestyle. Following the show, head next door to Dutch Valley Restaurant for a traditional family-style dinner.

DAY 3 - Enjoy breakfast, then check out and depart for the Warther Museum & Gardens. Visit the home of the World's Master Carver to view Ernest Warther's carving collection featuring unbelievably intricate works in ebony and ivory. You will also see the original workshop, Swiss gardens and Mrs. Warther's button collection. Before leaving the area, stop by Breitenbach Wine Cellars where you may want to sample some of their fine wines. Enjoy lunch on your own in the café before departing for home, taking with you fond memories of the Ohio Amish Country.

CHRISTMAS WITH TH DU PONTS
3 DAYS – 2 NIGHTS

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

Day 1
A morning departure has you heading into Philadelphia where you will arrive at the Christmas Village in Philadelphia, an outside holiday market modeled after the traditional Christkindlmarkts in Germany. You'll find more than 80 vendors selling traditional international holiday gifts, ornaments, jewelry and high-quality arts and crafts along with European food, sweets and drinks. Lunch is on your own here, then continue to the “Chateau Country” of the Delaware Valley, where you will find the stately homes for generations of the du Pont Family to begin your Christmas with the du Ponts tour. No visit would be complete without a stop at Longwood Gardens, formerly Peirce Farm and purchased by Pierre S. du Pont in 1906. Shortly after acquiring the property, he began to transform the deteriorated arboretum into a majestic outdoor showcase. Visit the Peirce-du Pont House which dates to 1730 and was the weekend residence of the du Ponts and is decorated for Christmas. Christmas at Longwood features thousands of poinsettias, magnificent trees, and fragrant flowers transforming the Conservatory into a holiday Wonderland. Outside, colorful fountains dance to festive music, strolling carolers herald the season with song, and a half-million twinkling lights add sparkle to the season. While here, you can also enjoy dinner with $20 Longwood Garden Dining Dollars at one of the eateries before returning to Philadelphia where accommodations have been arranged.

Day 2
Enjoy breakfast before continuing to Nemours Mansion & Gardens. The former home stands like a little slice of Old World European royalty, complete with rare French 18th century furniture and formal French gardens that offer a dramatic view past gilded statues toward the main house. Built by Alfred du Pont for his wife in 1907, 102-room Nemours is inspired by Versailles’ Petit Trianon, the Neoclassical mansion in which Marie Antoinette found refuge from the court of Louis XVI. The season finds the home decked for the holidays, including Christmas trees, hand-painted ornaments and antique decorations. You will also hear how Jesse and Alfred duPont celebrated the holidays, and glimpse historical artifacts, many of which have never before been displayed. In the afternoon, visit the Hagley Museum, site of the gunpowder works founded by E.I. du Pont in 1802. The 1803 du Pont family ancestral home, Eleutherian Mills, is located on 235 acres along the banks of the Brandywine. It features holiday decorations, interpretation on the French traditions of exchanging gifts on New Year’s Day and the celebration of Twelfth Night. You will see it much as it was when the last family member lived there -- filled with furnishings and collections of American folk art, alongside treasured family pieces and items brought with the family from France when they left in 1799. Returning to Philadelphia, dinner has been arranged at a local restaurant.

DAY 3
Following breakfast, it’s time to check out and depart for Winterthur Museum & Garden. Perhaps the grandest in scope and inspiration of the du Pont homes, it features 175 rooms displaying 85,000 objects focusing on specific periods of the decorative arts. During Yuletide at Winterthur, Henry Francis du Pont’s former home is decorated with sparkling holiday displays, including the famous majestic dried-flower tree. The magic extends to the grounds, where visitors ride open tram cars through the meticulously designed gardens. Depart for home after your visit with fond memories of Christmas with the du Ponts.
